PREMESSA

Questo manuale è indirizzato a quanti vogliono affrontare le prove scritte e orali dei nuovi **concorsi a cattedra** e dei **FIT**.

In particolare, l'opera (**completamente in lingua**) ripercorre per punti e snodi essenziali tutto il *programma d'esame della disciplina d'insegnamento* relativa alle **classi di concorso**:

— **A24 – Lingue e culture straniere negli istituti di istruzione secondaria di secondo grado - Inglese** (ex *A346*);
— **A25 – Lingua inglese e seconda lingua comunitaria nella scuola secondaria di primo grado - Inglese** (ex *A345*),

al fine di consentire:

— un rapido **ripasso della materia**;
— nonché **approfondimenti sulla didattica disciplinare** (per gli aspetti didattici più generali si rinvia al *volume 526/B*).

Completano il testo le ***Indicazioni nazionali*** e le ***Linee guida*** (disponibili come *Espansioni Web* e accessibili tramite il *QR Code* posto all'interno del volume) riguardanti la disciplina oggetto d'insegnamento delle classi suddette, indispensabili per una **corretta progettazione di lezioni e unità d'apprendimento**.

Sempre in **Espansione Web** offriamo **ulteriori approfondimenti** su alcuni degli argomenti trattati.

Ricordiamo ai candidati che, oltre alle competenze disciplinari proprie di ciascuna classe di concorso, alle prove verrà testata anche la conoscenza delle cosiddette «**Avvertenze generali**». A tale delicata sezione del programma d'esame (che comprende argomenti di didattica, psicologia dell'età evolutiva, normativa scolastica etc.) questa casa editrice dedica due *volumi specifici*:

— il **526/B – Manuale delle metodologie e tecnologie didattiche**, nel quale sono approfonditi gli aspetti metodologici, divenuti ormai una parte fondamentale del processo di valutazione dell'aspirante docente;
— il **526/C – Legislazione scolastica**, dove vengono trattate le componenti giuridiche della professione, aggiornate alle numerose novità intervenute negli ultimi anni per effetto della *L. 107/2015* (cd. «*Buona Scuola*»), tra cui i *D.lgs. n. 59, 60, 61, 62, 63, 64, 65* e *66* del *2017*.
